## Rogue Valley Youth Choruses

rvyouthchoruses.org

The Rogue Valley Youth Choruses provide talented youth, grades 3-12, an opportunity to participate in choral groups of the highest quality. Each chorus allows singers to advance their vocal skills, perform a variety of choral literature, serve as community cultural ambassadors, and have fun.

Tuition for the entire year is \$180, payable by the first rehearsal in October. Tuition may be paid in two seasonal installments of \$90: the first installment due by the first rehearsal in October and the second due by the first rehearsal in February. Annual tuition is reduced for multiple singers in a family as follows: \$120 for the second singer, and \$100 for each additional singer. Families with more than one singer may arrange a tuition payment plan through their Chorus Manager(s). Tuition is non-refundable.
